Re Providing cement concrete pavements on either sides of Kempegowda Road

---

Submitted to the Municipal Commissioner Two estimates were sanctioned for Rs 4,000/- and Rs 3,600/- respectively for providing cement concrete foot-paths on either sides of Kempegowda Road

The Estimates were prepared on the basis of schedule of rates prepared before the war which has not been so far revised The Municipal Council have conveyed their approval on 11th November 1944, to carry on the above works departmentally Accordingly, the works were taken up departmentally and are being carried out

The required quantity of Baby-metal has been collected for the works as per the lowest approved tender rate of the division Cement & Bitumen were supplied departmentally Sand is being conveyed in Municipal lorries from Kumbalgud The water lorry is also used for watering purposes

As per actual cost, the above works are working out at about 75% more than the schedule of rates This compares favourably with the tenders received from Contractors for various works which vary from 150 to 200% over the schedule of rates

The estimates are revised as per actuals and they amount to Rs 6,730/- and Rs 5,660/- respectively against Rs 4,000/- and Rs 3,600/- The Revised Estimates are herewith submitted for favour of obtaining the sanction of the Municipal Council
